**Subject:** Aldicarb Draft Terms and Conditions and EPA comments on Aldicarb Stewardship plan

Good Afternoon,

We have attached the draft Terms and Conditions of Registration and the Agency's comments on Aldicarb's Stewardship plan for orange and grapefruit in Florida to this message.

We are requesting AgLogic review the Draft Terms and Conditions and respond in writing, if they are acceptable. If there are any points of concern please let us know as soon as possible so we can come to consensus.

For the Aldicarb Stewardship plan, we have attached our comments on what we are suggesting it contain. We would like AgLogic to review our comments and consider implementing them but you are not required to resubmit them to the Agency.

Feel free to contact Debra, Marion, or myself if you have any questions, comments, or concerns.

Regards,

Shanta Adeeb, M.S.
